

## EMISSION CLASSIFICATION OF BUILDING MATERIALS

### **Kährs Holding AB**

The classification working group set up by the Building Information Foundation RTS has approved the following product:

**Kährs, Karelia, Upofloor, Langemoen, Focus Floor, Castorama, Woodpecker Polar Wood, White Label (13-, 14-, 15-, 30mm Multilayer Parquet, UV-oiled and natural oiled)**

as belonging to emission class M1 for building materials.

The classification is valid until 20.8.2016.

Kährs Holding AB has the right to equip its classified products with the classification mark and to use this classification mark when marketing these products.

The decision is in line with the requirements laid down in the Classification of Indoor Climate 2008 and the Classification of Building Materials: General Instructions.
